

# Process & Decision Documentation

## **Significant decision or change:**

Change the ball color and shape, to make it turn red and in an irregular shape in the air, and green in a regular circle on the ground.

## **Why did you make it:**

To add more visualized design and changes to add interest to the interaction.

## **What effect did it have on the work:**

The ball color changes when the user interacts with it

## **GenAI**

No GenAI use in this Side Quest
